23) Up to the end of 1924 only 130 copies of Art Calendars were printed & supplied and this number was enhanced to 142 ~~vide G.O. No. 3870-4/915-31-25-1-924-11-25~~. Even this was found inadequate and the Supdt. G.P. requested sanction to the printing of 280 copies of Art Calendars for 1925 & future years and to supply the same to all officers drawing Rs 500/- & above including retired officers as per list (vide flag A)

This list was curtailed and sanction was accorded to the distribution of 104 copies as per list (vide flag C). In this list the names the officers of Calicut through which the Commissioners were returned to Madras was carried out. Though def no principle differ in respect of status or in respect of pay or grade pay of officers seems to have been followed in the distribution of the Arts Calendars, as pointed by the Supdt. G.P.P. in his letter No. P 1564/43 11.12.40, the intention of Govt. from the beginning perhaps was to limit the supplies to Dewan, Ministers, Heads of Depts, the Commissioners & other officers of the rank of the Commissioners. This appears to be the principle.

2nd The Supdt. again in his letter No. 15 dt 11.12.40 referred to the above said & revised list consisting of 144 names & the number required to be printed was mentioned as 340. This also included officers drawing Rs 500/- and above. This list was also curtailed & sanction was accorded to the printing of 245 copies, to the distribution of 194, as per lists 1, 2 & 3 & to have in reserve 50 copies for Emergent supplies

25) The present revised list ruled by

the Supdt. has forwarded a list of 179 copies amongst 92 named Natives. This list has been verified with the latest Staff List and additional names ordered from time to time. This discloses that some of the names have been included without quoting any authority or indicating any reason therefor. Under Sub-rule 5, 6, 40, 49, 58, 79, 88, 89 and 92 (Further Some of the names, authorised to be included in the approved list as per letter No. 73/68-S 21-2-44 have been cancelled. 7) Dist. Engr. & Chemical Industries — one Calendar & One Tablets. The officer states that the supply has already been made by the Supdt.

27) The same principle seems to have

applied in respect of the distribution of Engagement Tablets. The approved list appended with G.O. dt. 21.9.28 contains 137+6 names in all and number of copies ordered to be supplied distributed was 162 big & 86 small. This list contains all officers of the rank of SSH. Commissioners in addition to those mentioned in the distribution list of Art Calendars. The latest list appended with G.O. No. dated 12.1.42 contains 69+52 names & the number of copies authorised for distribution was 301. This list includes SSH. Secretaries to govt. & some officers drawing Rs. 200/- each & Supdt. SSH. Supdts. of the Printing & Supdt. The fresh list now submitted by Supdt includes non-technical officers such as Supdt. Confidential Branch (Sl. no. 123 page 7). Further the list includes some names not found in the sanctioned list such as 5, 6, 49, 86, 128, 129, 154 to 158, 165, 181, 192, 193 to 195 & some names to have been omitted vide Sl. nos 40, 37, 52, 65, 71, 98, 103, 110, 126, 138, 163 & 166 of the approved list.

31) The Supdt. Govt. Press raises the question of standardising the supply of Art Calendars in his letter dt. 11.11.44 (P.V.S. No. 75-400-1.)

32) It was not considered necessary to enunciate any principle or lay down any hard & fast rule. (Vide notes at pages 4-10).

33) The list was revised & in addition to the numbers required the Supdt. was asked to print 50 more copies of the Art Calendars to be kept as reserve.

34) Similarly in 1942 January orders were issued for the distribution of Engagement labels big & small. & one hundred copies of the small engagement labels were ordered to be printed & stocked as reserve. In Dec 1942 it was

directed that only 25 copies be printed & kept as reserve instead of 100 copies.

37) From the distribution of statement of engagement tables, appd by Govt in Jan't 1942, it will be seen that only heads of Depts, i.e. by virtue of this, certain Professors of Colys. are provided with engagement pads. Among Junior Gazetted Officers, Asst Secys, Asst Comptrollers & Asst Collectors of Depts, are included for assts to heads of Depts. It appears that no general rule or principle has been followed & the need for such posts seems to have been considered with reference to the distribution of these posts.

As per instructions from the Asst. Secy. information has been obtained in person from the Govt Press. Separate sheet (under blank 5) gives particulars of differences mentioned in paras 25 & 27 of the note.
